The history of Irish Pubs

Irish pubs around the world are known to be friendly, full of enjoyment and a place to meet new and old friends.

The Irish House is no exception to that rule with an authentic interior, a wide range of Irish and world beers - and a large selection of Irish and Scotch Whiskeys.

In the olden days in Ireland people gathered in pubs to dance, drink and sing without a care in the world and nothing but porter and whiskey to pass the night away. These days things have moved on but the Irish will still find any excuse to get to the pub for a session. That excuse has now arrived in Aalborg, so come along to The Irish House where you too can enjoy the experience.

Home away from home !!!

The basement can be booked for private parties.
